ANNUAL REPORT 2013

FISCAL YEAR 2013 HIGHLIGHTS October 1, 2012 – September 30, 2013

DURING THE YEAR, KEYSTONE:

- Implemented and partially funded Range Riders and conservation-based livestock management programs on three area ranches.
- Participated in and wrote a science paper on protection & preservation.
- Convened a group of leaders in the rangeland stewardship field to plan a national meeting to further our collective impact.
- Updated and distributed our human-wildlife conflict science communication.
- Gave month-by-month bear safety presentations at REI & local companies.
- Developed our bear spray awareness program for Greater Yellowstone, funded bear spray discount promotions, and gave bear spray workshops.
